Provided that every private candidate and a candidate of Correspondence Courses shall also be required to submit three attested copies of his latest passport size photograph.

6.13 A candidate seeking admission to an examination of the University shall be required to pay fees as prescribed by the Executive Council from time to time.

Provided that blind persons, war widows, disabled servicemen and the dependents of military personnel permanently disabled or killed in action, shall not be required to pay such fees.

6.14 In the month of June every year the Controller of Examinations shall notify the dates of the commencement of various examinations of the University and the last dates for the submission of application forms for admission to the same.

6.15 (a) A candidate seeking admission to a University examination shall submit at least fifteen days before the last date prescribed for the receipt of applications in the University office, his application in the prescribed form, accompanied by the prescribed fee and supported by the prescribed certificates, to the concerned head of the College/the Chairman of the Department/Dean of Studies/the Director of Correspondence Courses, who after due scrutiny and making good the omissions or certifying the mistakes, if any, shall forward the same to the Controller of Examinations so as to reach him before the last date prescribed for the submission of such applications. A private candidate shall submit his application complete in all respects direct to the Controller of Examination so as to reach him on or before the last date prescribed for the submission of applications by the private candidates.

(b) The concerned Head of the College/Chairman of the Deptt./Dean of Studies/Director of Correspondence Courses, may under intimation to the candidate, not later than the fifteen days before the commencement of the examination withdraw the application of any candidate, who fails to fulfil the attendance requirements referred to in paragraph 6.2 above.

6.16 The Controller of Examination may entertain an application for appearing at an examination:-

(i) Upto 15 days after the last date prescribed for submission of such application on payment of Rs.100/- as late fee.

(ii) Thereafter up-to 20 days before the commencement of the examination on payment of Rs. 125/-

In very special circumstances an application for appearing at an examination thereafter may be allowed to be accepted by the Pro-Vice-Chancellor/Vice-Chancellor for which total late fee of Rs. 150/- shall be charged,

Provided that three grace days may be allowed for the forms received in the University for the purpose of calculating the late fee.

6.17 (a) After satisfying himself that the application is in order in all respects, the Controller of Examinations shall issue through the head of the institution concerned in the case of the regular candidates and direct to the private candidates and admission card, permitting the candidate to appear at the examination and showing the Roll Number and the examination centre allotted to him.

(b) A duplicate copy of the admission card shall not ordinarily be issued. However, if the Controller of Examination or the Superintendent of the examination centre is satisfied that the admission card has either not reached the candidate or has been inadvertently misplaced or lost by him, a duplicate admission card may be issued to the candidate on payment of a fee and he may be permitted to take the examination.

6.18 The Superintendent of the centre may not permit a candidate to take the examination, if it is brought to his notice in writing by the head of the institution concerned that the candidate has not paid the outstanding dues including hostel and mess charges, or has failed to return library books or other articles, or in the case of loss has not paid the cost thereof, as assessed by the institution.

6.19 The Pro Vice-Chancellor/Vice Chancellor may withdraw the permission to appear at an examination, if at any stage it is found that the candidate was not eligible for admission to that examination, or has been subsequently rusticated or expelled from a college or a teaching department of University or any other University after the submission of his application form.

6.20 If the Pro-Vice-Chancellor/Vice Chancellor is satisfied from the evidence produced before him that a candidate, accepted for an examination of the University, conducted under the annual system, is unable to appear in or to complete the examination on account of his own serious illness, accident to himself, or on account of the death of a near relative viz. father, mother, brother, sister, wife, son, daughter or husband, he may allow such a candidate another opportunity to appear in or to complete the examination in the next supplementary or regular examination.

The application of such a candidate shall be entertained, only if it fulfils the following conditions:-

(a) It is submitted not later than 10 days from the date of which the candidate was incapacitated from taking the examination:

(l) it is submitted through the head of the institution, presenting the candidate for the examination, with a certificate from the head of the institution to the effect that he has satisfied himself after due enquiry that:

(i) the candidate could not appear in or complete the examination because of his own serious illness, or accident to himself, or the death of a near relative;

(ii) the candidate had a reasonable chance of success if he has appeared in the examination.

A candidate to whom this concession is granted shall be allowed to join provisionally the next higher class pending the declaration of his result. In case he does not appear in the subsequent examination or is declared as having failed, his admission shall stand cancelled and he shall forthwith revert to the lower class. He shall have no claim against the institution he had joined and/or the University.

Fees paid by such a candidate for the higher class shall be adjusted against the dues of the lower class, but in case he discontinues his studies, fees paid by him shall not be refunded.

This concession shall also be available to the students of Post-Graduate classes except Diploma in Personnel Management and Labour Welfare along with Certificate/Diploma courses in Foreign Languages under semester system except the promotion from one semester to another which is governed under a separate ordinance.

6.21 A candidate against whom proceedings regarding use of unfair means etc. are started and who on account of these proceedings is prevented from appearing in an examination, may be given by the Pro-Vice-Chancellor/Vice-Chancellor, one or more chances immediately next to the last admissible chance in lieu of the chance or chances missed by him.

6.22 Where the chances of a candidate to an examination are limited, and he is disqualified from appearing in it for a fixed period he may be allowed by the Pro-Vice-Chancellor/Vice-Chancellor one more chance to appear in the examination after the period of disqualification, in lieu of the chance or chances missed by him during the period of disqualification.

6.23 (a) No one, who has already passed an examination of the University or any other University, established by law in India, shall be permitted to re-appear in that examination:

Provided that before a candidate become eligible for the degree of M.A., M.Sc., M.B.A., M.T.A., M.C.A., B.Ed., M.Ed., LL.B., LL.M., Acharya in Sanskrit language and Literature and Bachelor in Journalism and Mass Communication as the case may be, he may apply for the cancellation of the result of any course or courses in which he may have passed in any semester examination (s) and may re-appear in the corresponding semester examination (s) to improve his score in the particular course or courses.

Provided further that a person belonging to any of the following categories, who has already obtained or has become eligible for the award of the degree of M.A., M.Sc., M.B.A., M.T.A., M.C.A., B.Ed., M.Ed., LL.B., LL.M. (ii) a person, who being a resident of the area within the territorial jurisdiction of the University, had obtained his degree from the Panjab University, Chandigarh before the establishment of this University.

(iii) a person who being employed as a whole-time teacher in the University, or a college affiliated to or maintained by the University, has obtained such a degree from any other University, established by law in India.

A candidate belonging to category (i) above may be allowed to appear in any course (s) which may be either entirely new or in which he may wish to appear again to improve score, if he has already obtained the degree, or may have the option after the declaration of final result, whether he wants to take the degree or to get one or more courses of the final semester cancelled to improve his score in the course/courses, if he has become eligible for the award of the degree, but the option, if any, must be exercised by the candidate within one month of the date of declaration of the result of the fourth semester. The aggregate of the marks obtained by him in the earlier examination in the course in which he does not appear shall determine his new division. The result of a candidate shall only be declared if he is able to improve his division or get atleast 55 percent marks in the aggregate of the result desired to be improved.

Candidates belonging to categories (ii) and (iii) above shall have to appear in all courses prescribed for all the four semester, but they shall have the option to complete the examination either in one year or in two years.

(b) If a candidate permitted to appear in an examination for the purpose of improving his score in course (s) under the first proviso in sub-paragraph (a) above fails in the said course (s), he shall be declared as a 'reappear' case in the course (s) concerned and shall be governed by the same rules as are applicable to 'reappear' candidates; provided that no candidate shall be allowed to get his score in any course (s) cancelled more than once and if a candidate after getting his course (s) cancelled for the purpose of improving his score (s) absents himself from appearing in the corresponding examination, his previous score in the course (s) shall stand; but he shall not be given another chance to get the score cancelled.

Provided further that a candidate permitted to Re-appear in the examination for the purpose of improving his division shall be allowed two attempts in each paper within a maximum period of five years after he has qualified for the award of degree.

Provided further that such candidate shall have to re-appear in the corresponding semester examination (s) and according to the syllabus of studies in force at the time to the said examination (s).

Provided further that before a candidate becomes eligible for the award of the degree of B.A., B.Sc. or B.Com., he may apply for the cancellation of the result of any subject(s) of the examination in which he may have passed in that examination(s) to improve his score in the particular subject(s). If a candidate is permitted for improvement of examination in Part-I and/or II and/or III in the corresponding annual/supplementary examination(s) according to the syllabus of studies in force at the time of the said examination(s) he will get one chance of each part within 3 years and shall deposit the fee as prescribed by the Executive Council from time to time. The result of the candidate shall only be declared if he is able to improve his division in the aggregate of the score, otherwise the previous result will stand.

(c) A candidate who does not fulfil the percentage required for admission to Master's degree course or for some other purpose may be allowed to improve his score/division in only one additional subject of his choice only once within three years from the passing of the respective examination;

Provided that this concession shall be for the purpose of eligibility for admission to a course for which graduation is the minimum qualifications for admission or the candidate after passing in all parts i.e. I, II & III may apply for

cancellation of subject of his choice already passed by him and the additional subject in his revised detailed marks card/degree may be changed by depositing the fee as prescribed by the Executive Council from time to time.

REFUND OF FEES

Provided that the applications for refund of fee shall be made within 3 months from the date of the deposit if the fee (s)/declaration of ineligible to appear in the examination.

CONDUCT OF EXAMINATIONS

6.25. All examinations of the University shall be conducted in accordance with regulations framed for the purpose by the Executive Council. These regulations shall provide inter alia for the following:

(a) Creation and cancellation of the examination centres; provided that no new centre shall be created except in a college or institution which has been affiliated to or recognised by the University or at any other place after proper inspection by the Controller of Examination or his nominee with regard to availability of satisfactory facilities;

(b) appointment, duties and remuneration, if any, of the supervisory staff, including Senior Superintendent, Deputy Superintendent, Assistant Superintendent, Clerical and other assistance etc.

(c) appointment and duties of inspectors and the mode of inspection of the examination centers:

(d) provision of facilities to the permanently physically handicapped candidates.

6. 26. Every candidate shall take the examination at the examination centre allotted to him.

However, if at any place there is more than one centre and on the first day of the examination a candidate, by mistake, presents himself at a centre other than the one allotted to him at a time when it is not possible for him to reach the allotted centre, he may be allowed by the Senior Superintendent of that centre to take the examination.

The Senior Superintendent/Superintendent shall direct the candidate to go the centre allotted to him for the subsequent sessions of the examination and report the case to the Controller of Examination.

CHANGE IN THE ALLOTTED CENTRE

6.27. A change in the allotted centre of examination may be permitted by the Controller of Examination in the following circumstances:-

(a) if the candidate or his father or guardian is transferred and the fact of transfer is certified by the Head of the office, or of the Department in which he or his father or guardian, as the case may be, is employed;

(b) if the change of centre is necessitated by reason of a candidate's ill health and the fact of illness is supported by a certificate from a Registered Medical Practitioner not below the rank of an Assistant Surgeon;

(c) to avoid hardship in an exceptional case not covered by (a) and (b).

6.28. An application for change of the allotted centre shall be made on the form prescribed for the purpose, and shall be accompanied by the prescribed fee and two passport size copies of the candidate's photograph, bearing on their reverse the candidate's signature in full, duly attested by the authority who had signed or countersigned the original application of the candidate for admission to that examination, or by the head of an affiliated institution at the place which the change is sought.

6.29. No application for change in the allotted centre shall be entertained, unless it reaches the Controller of Examinations at least twenty-one days before the commencement of the examination, and if the change of centre is sought only for the practical examination, at least twenty one days before the commencement of such practical examination.

Provided that the Pro-Vice-Chancellor/Vice-Chancellor may, in the circumstances, enumerated in paragraph 6.27, for reasons to be recorded by him in writing, permit the application of a candidate for a change in the allotted centre for the examination, or for the practical examination only, to be entertained by the Controller of Examinations upto seven days before the commencement of the examination or the practical examination as the case may be.

6.30. The fees as may be prescribed by the E.C. from time to time shall be required to be paid along with application for a change in the allotted center.

(i) Change within Himachal Pradesh or from a place outside Himachal Pradesh to a place within Himachal Pradesh.

(ii) Change from a place within Himachal Pradesh to a place outside Himachal Pradesh or a change from a place outside Himachal Pradesh to another place outside Himachal Pradesh.

If the application for the change in the centre is rejected, the fee shall be refunded to the candidate.

DISCIPLINARY CONTROL OF AN EXAMINATION CENTRE

6.31. During an examination, a candidate shall be under the disciplinary control of the Senior Superintendent and Superintendent of the centre and he shall obey their instructions. If a candidate disobeys their instructions or misbehaves with any member of the supervisory staff or with any of the examinees at that centre, he may be excluded from the examination of that session.

The Controller of Examinations Centre or Superintendent shall immediately report the facts of such a case with full details of evidence to the Controller of

Examinations who will refer the matter to the Examination Discipline Committee. The Committee may order the cancellation of the examination of the candidate for that session or the entire examination, and further disqualify him from appearing in any University examination for period not exceeding three years. However, if the committee is satisfied that the exclusion of the candidate from the examination was not justified, it shall order that the candidate be provided another early opportunity to take the examination concerned, and if it is of the view that the exclusion of the candidate was mala fide, it shall also recommend to the Pro-Vice-Chancellor/Vice-Chancellor that proper disciplinary action be taken against the Senior Superintendent/ Superintendent concerned.

6.32 (a) Every day before an examination begins, the Superintendent or the Deputy Superintendent, shall call upon all the candidates to search their pockets, tables, desks etc. and deliver to him all the papers, books, notes or other reference material which they may have in their possession or accessible to them. Where a late-comer is admitted this warning shall be repeated to him at the entrance to the examination hall.

(b) The Superintendent or the Deputy Superintendent in- charge of the examination, shall forward to the Controller of Examinations every day a declaration, signed by him or them and witnessed by all the Assistant Superintendents then on duty, to the effect that as a matter of fact the candidates were called upon to search their pockets, tables, desks etc. and to surrender all papers, books, notes, or other reference material in their possession or accessible to them and that all late-comers were also given the warning as required in paragraph (a) above.

6.33. If at a University examination, but before the question paper is distributed, a candidate voluntarily surrenders to the Superintendent, or any other member of the supervisory staff papers, books, notes or other reference material in his possession, or if a candidate is found having in his possession or accessible to him papers, books, notes or any other material or device, which do not relate to the subject of the examination and which could not possibly be of any assistance to him, the case shall be reported to the Controller of Examinations even though no action may be called for against the candidate.

USE OF UNFAIR MEANS

6.34. A candidate shall not use unfair means in connection with any examination.

6.35. The following shall be deemed to be unfair means:-

(a) Talking to another candidate or any person, inside or outside the examination hall, during the examination hours without the permission of a member of the supervisory staff.

(b) Leaving the examination hall without delivering the answer book or continuation sheet, if any, to the Superintendent or the Deputy Superintendent or the Assistant Superintendent concerned, and taking away tearing off or otherwise disposing of the same or any part thereof.

(c) Writing on blotting paper or any other piece of paper, a question or anything connected with or relating to a question, or solving a question on anything except the answer-book or the continuation sheet supplied to the candidate.

(d) Using abusive or obscene language in the answer-book

(e) Deliberately disclosing one's identity or making any distinctive marks in the answer book for that purpose, or writing Roll Number at place/s other than the specified one/s for that purpose.

(f) Making an appeal to the Examiner through the answer book.

(g) Possession by a candidate or having accessible to him books, notes, paper or any other material, whether written, inscribed or engraved or any other device, which could be of help or assistance to him in answering any part of the question paper.

(h) Concealing, destroying, disfiguring, rendering illegible, swallowing, running away with, causing disappearance of or attempting to do any of these things in respect of any book, notes, paper or other material or device, used or attempted to be used for assistance or help in answering a question or a part thereof.

(j) Passing on or attempting to pass on, during the examination hours, a copy of a question or a part thereof or the question paper itself or a part thereof, or solution to a question or a part thereof, to any other candidate or to any other person.

(k) Smuggling into the examination hall an answer-book or a continuation sheet, or taking out or arranging to send out an answer-book or continuation sheet, or replacing or attempting to get replaced the answer-book or continuation sheet, during or after the examination with or without the help or convenience of any person connected with the examination, or through any other agency, whatsoever.

(l) Receiving or attempting to receive, with or without the help or convenience of any member of the supervisory or menial staff or any outside agency, a solution to a question or a part thereof.

(m) Approaching or influencing directly or indirectly, a papersetter, examiner, evaluator, tabulator or any other person, connected with the University examinations, with the object, directly or indirectly, of inducing him of leak out the question paper or any part thereof, or to enhance marks, or to favourably evaluate, or to change the award in favour of the candidate.

(n) Undue influence, that is to say any direct or indirect interference or attempt thereof, on the part of the candidate, or of any person on his behalf, with the discharge of the duties of a member of the supervisory or inspecting staff of an examination centre before, during or after the examination.

Provided that without prejudice to the generality of the provisions of this clause any such person as is referred to therein who-

(i) abuses, insults, intimidates, assaults any member of the supervisory or inspecting staff, or threatens to do so;

(ii) abuses, insults, intimidates, assaults any other candidate or threatens to do so;

shall be deemed to have interfered with the duties of the supervisory and the inspecting staff within the meaning of the clause.

(o) Copying, attempting to copy, taking assistance or help from any book, notes, paper or any other material or device, or from any other candidate, to do any of these things or facilitating or rendering any assistance to any other candidate to do any of these things.

(p) presenting a thesis, dissertation, practical or class-work note book, wherever required, not prepared or produced by the candidate himself.

(q) Arranging or permitting any person, whosoever he may be, to impersonate for the candidate at the examination.

(r) Forging a document or using a forged document, knowing it to be forged, in any matter relating to the examinations.

6.36. (a) The Executive Council may declare by resolution any other act of omission or commission to be unfair means in respect of any or all the examinations.

(b) If the Executive Council is satisfied that (i) there has been copying or use of unfair means on mass scale at a particular centre or centres it may cancel the examination of the candidates concerned and order re-examination.

OR

disqualify the candidate from appearing at such examination of the University for a period not exceeding three years; in case disqualification is to be imposed then such action may be taken on the report, recommendations of the Examination Discipline Committee, or the Executive Council may take such action suo moto after giving the effected candidates a reasonable opportunity of being heard. The Executive Council may take one or both the actions, i.e. ordering, re-examination and disqualifying them from appearing at such examination as stated above.

(ii) the use of unfair means at the Center (s) was aided, abetted or connived at by the authorities of the institution where the Centre was located or by some other outside agency or due to the inability of the authorities to prevent the use of unfair means, it may abolish that centre for a period as deemed fit and/or take such action and in such manner as stated in (i) above.

6.37. (a) The Senior Superintendent/Superintendent of the examination centre shall report to the Controller of Examinations without delay and on the day of the occurrence, if possible, each case where use of unfair means in the examination is suspected or discovered with full details of the evidence in support thereof and the statement of the candidate concerned, if any, on the forms supplied by the Controller of Examinations for the purpose.

(b) A candidate shall not be forced to give a statement, but the fact of his having refused to make a statement shall be recorded by the Superintendent and shall be got attested by two other members, of the supervisory staff, if on duty, at the time of occurrence.

(c) A candidate detected or suspected to be using unfair means in the examination shall be permitted to answer the remaining part of the question paper, but on a separate answer-book and the answer- book in which the use of unfair means is suspected shall be seized by the Superintendent, who shall send both the answer-books to the Controller of Examinations with his report. This will not affect the candidate's right to appear in the rest of the examination.

(d) All cases of use of unfair means specified in clauses (d), (e), (f),(m), (o), (p) or (r) of paragraph 6.35 shall be reported immediately to the Controller of Examinations by the examiner, paper-setter, evaluator, tabulator or the person connected with the University examination, as the case may be, with all the relevant material.

Examination discipline committee

6.38 (a) All the cases of alleged use of unfair means shall be referred and presented by the Officer Incharge to a Committee, called the Examination Discipline Committee to be appointed by the Executive Council on the recommendations of the Pro-Vice-Chancellor/Vice-Chancellor.

(b) The Committee shall consist of at least three members, but not more than five members drawn from the fields of Education/ Administration or Judiciary.

(c) A member shall be appointed for a term of two years, but shall be eligible for re-appointment.

(d) Members of the Examination Discipline Committee shall be paid such remuneration as may be decided by the Executive Council from time to time.

(e) At least three members present shall constitute the quorum.

(f) A decision taken by the majority of members present at a meeting shall be final; but if the members are equally divided, the case shall be referred to the Pro-Vice-Chancellor/Vice- Chancellor, whose decision shall be final.

(g) A candidate may within seven days of the receipt of the decision of the Examination Discipline Committee bring to the notice of the Pro-Vice-Chancellor/Vice-Chancellor, in writing, any fact or material, which may not have been considered by the Examination Discipline committee. The Pro-Vice-Chancellor/ Vice- Chancellor, if satisfied that there is force in the representation of the candidate, may refer back the case to the Examination Discipline committee for reconsideration.

The Examination Discipline Committee shall then re-consider the case and a unanimous decision of the Committee shall be final. In case of difference of opinion amongst members of the Committee the matter shall be referred by the Pro-Vice-Chancellor/ Vice Chancellor, to the Executive Council, whose decision shall be final.

6.39 (a) (i) The Controller of Examinations, or any officer authorised by him in this behalf, shall by means of a registered letter issued to the person concerned a show cause notice, which shall be accompanied by a copy of the reports received against him about the use of unfair means and also make available to him the full details of the evidence and the statement of the candidate, if any, recorded under paragraph 6.37 (a).

(ii) The show cause notice shall be issued at least 15 days earlier to the date on which the proceedings against the candidate are intended to be taken and the receipt issued by the Post Office in token of the show cause notice having been despatched shall be taken as sufficient proof of the candidate concerned having been served with the show cause notice referred to in sub-cause (i) above.

(b) The person concerned shall be called upon to intimate if he would like to be heard in person or would like to produce evidence in his defence. The

person shall, however, be informed that he would himself have to bear all the expenses in connection with his appearance before the Committee and in connection with his production of his defence evidence.

(c) The person concerned shall be given a period of atleast fifteen days to submit his explanation, and if he fails to do so with in the time allowed to him, a decision may be taken against him exparte by the Examination Discipline Committee.

6.40. On the request of the person concerned the examination Discipline Committee shall allow him to be heard in person and to produce evidence in his defence and for this purpose may also allow inspection of the record in its presence.

6.41. In all proceedings before the Examination Discipline Committee, a person alleged to have used unfair means shall not be allowed to be accompanied or represented by any other person.

6.42. The Examination Discipline Committee may order that:

- (i) the examination for the session or paper in respect of which a candidate is found to have used unfair means specified in clauses (a) and (b) of paragraph of 6.35 be cancelled;
- (ii) the examination for the session or paper or the entire examination of a candidate in respect of which he is found to have used unfair means specified in clauses (c),(d), (e) and (f) to paragraph 6.35 be cancelled.
- (iii) the entire examination of a candidate in respect of which he is found to have used unfair means specified in clause (g) of paragraph 6.35 be cancelled and the candidate shall further be disqualified from appearing at any University examination for a period of one year.
- (iv) the entire examination of a candidate in respect of which he is found to have used unfair means specified in clauses (h), (j), (k), (f), (m), (n), (o) and (p) of paragraph 6.35 be cancelled and the candidate shall further be disqualified from appearing at any University examination for a period of three years.
- (v) the entire examination of a candidate in respect of which he is found to have used unfair means specified in clauses (q) and (r) of paragraph 6.35 be cancelled and the candidate shall further be disqualified from appearing in any University examination for a period of five years.

Explanation:

(c) There shall be no moderation of question papers unless specifically ordered by the Pro-Vice-Chancellor/Vice-Chancellor.

COMPLAINTS AGAINST QUESTION PAPER

6.52. All complaints against a question paper shall be addressed to the Controller of Examinations by name by the Chairman of the University Teaching Departments or of the affiliated or recognised institutions and shall be sent to him by Registered Post within five days of the examination in that paper.

6.53. The Controller of Examinations shall immediately place before the Pro-Vice-Chancellor/Vice-Chancellor all complaints referred to in paragraph 6.52 above. The Pro-Vice-Chancellor/Vice-Chancellor may consult the paper-setter and the convener of the Board of studies in the subject concerned, and shall take such action as he deems necessary.

EVALUATION OF SCRIPTS

6.54. (a) The paper-setter shall ordinarily be also the Head Examiner/Co-ordinator.

(b) In case of the non-availability of a Paper-Setter to act as Head Examiner/Co-ordinator, or in case there are a large number of scripts to be examined the Pro-Vice-Chancellor/Vice-Chancellor may appoint Head Examiners, Deputy Head Examiners and Examiners out of the panel of names submitted to him under paragraph 6.45 (a).

6.55 (a) The Head Examiner/Co-ordinator shall issue instructions for the marking of scripts and shall co-ordinate the work of the Deputy Head Examiner (s), Examiner (s) working with or under him to ensure uniformity of standard in the matter of evaluation.

(b) The Deputy Head Examiner shall supervise the work of the Examiners working with or under him and ensure uniformity of standard in evaluation.

6.56 In case of examinations where the question paper is set jointly by the Internal and the External Examiners and no Evaluation Centre has been set up as provided hereinafter, each script shall be evaluated separately by two examiners one of whom shall be the External Examiner and the average of the marks awarded by the two shall be the final award, unless the difference between the two awards is more than 15 per cent of the total marks. In the latter case the script shall be referred to a third Examiner by the Pro-Vice-Chancellor/Vice-Chancellor and the average of the two closer awards out of the three, and in case there are two equally close awards, the average of the higher two shall be the final award.

EVALUATION CENTRES

6.57 In the case of examinations other than those in which there are both External and Internal Examiners, and in the case of examinations in subjects in which there is provision for Correspondence Courses (even though the

question paper may be jointly set by the External and Internal Examiners), the Pro- Vice-Chancellor/Vice-Chancellor may set up Evaluation Centres.

6.58. (a) Each Evaluation Centre shall be under the charge of a Controller appointed by the Pro-Vice-Chancellor/Vice-Chancellor. Where, however, an Evaluation Centre is located in an affiliated College or institution, the Principal of the College or the head of the institution concerned shall ordinarily be the Controller.

(b) It shall be the duty of the Controller to ensure integrity of evaluation and its completion within the prescribed time. The Controller shall be personally responsible for the safe custody of the scripts and shall make them available to the Head/Deputy Head Examiners every day in accordance with the instructions, if any, issued by the Controller of Examinations and shall collect them every evening along with the award lists for onward transmission to the Controller of Examinations.

(c) The functions, duties and remuneration of the Controller, Deputy Controller and other members of the staff appointed to assist them shall be as prescribed by the Executive Council from time to time.

6.59 The evaluation of scripts at each Evaluation Centre shall be done by the Examiners under the supervision of the Head or Deputy Head Examiner (s), designated as Co-ordinators, who shall ensure co-ordination and uniformity of standard.

MODERATION OF RESULTS

6.60. For calculating pass marks prescribed in these Ordinances for various examinations, every half mark or more shall be rounded off to the next higher whole number and shall be ignored if is less than half.

6.61 (a) A candidate, who appears at an examination, but fails in one or more Course(s)/paper(s), in case of Post-Graduate examinations, and subject(s) in the case of Under-Graduate examinations (written, practical, sessional or viva-voce), and/or in the aggregate (if there is a separate requirement of passing in the aggregate), shall be given grace marks upto a maximum of one percent of the total aggregate marks allotted to the Course(s)/Paper(s)/ Subject(s), as the case may be, in which he has appeared to enable him to pass the said examination. While awarding grace marks the fraction working to half or more will be rounded off to the next whole number;

Provided that in the case of MBBS, BDS and BAMS examinations the grace marks shall be given up to one percent of the total marks of each subject and shall be awarded subject-wise;

Provided further that grace marks up to a maximum of five may be awarded to a candidate who has failed only in one subject if it enables him to pass the entire examination.

Provided, however, that a candidate who is getting through with grace marks shall have an option not to avail of the benefit of grace marks. The application exercising such an option shall reach the Controller of Examinations within 30 days of the declaration of the concerned result and the Pro-Vice-Chancellor/Vice-Chancellor will rectify such results and report such cases to the Academic Council in its next meeting.

(b) Grace marks up to 1% of the total aggregate marks may be awarded to a candidate, who has passed an examination but has failed to obtain either the Second or the First Division, if by the addition of such grace marks he is enabled to be placed in the Second or the First Division, as the case may be;

Provided that grace marks shall not be allowed to a candidate to improve his division, if he has already been allowed grace marks to pass the examination or may part thereof, or to a candidate who is permitted to re-appear in an examination to improve his division or score in a course under paragraph 6.23.

(c) These rules shall not be applicable in the case of Faculty of Engineering and Technology which is regulated under Chapter XIII.

DECLARATION OF RESULTS

6.62 (a) The result of an examination after tabulation, and collation, with a statement showing the percentage of passes in the whole examination and in each subject thereof, with a similar statement in respect of same examination for the three preceding years be considered by the Controller of Examinations and if there is no variation in either the over-all result in respect of any subject thereof upto 10% he may order the results to be declared. In case a variation of 10% or more in comparison to the earlier years results is noticed, he may refer the matter to the Pro-Vice-Chancellor/Vice-Chancellor along with the report from the concerned examiner, and Head of the University Department and may suggest modification of the result. Such result shall be declared only with the prior approval of the Pro-Vice-Chancellor/Vice-Chancellor.

(b) At the time of declaration of results a merit list shall be prepared on the basis of aggregate marks allotted to the examination concerned excluding the marks in additional optional subject.

PUBLICATION OF RESULTS

6.63. The Controller of Examinations shall publish the results of all the examinations in the manner directed by the Executive Council. The list of the names of successful candidates, showing in each case the marks obtained, shall be simultaneously communicated to the institution presenting the candidates.

6.64. Failure statements of the examinations, showing the subject or subjects in which the candidates have failed to obtain the prescribed minimum number of pass marks, shall be prepared by the Controller of Examinations and it shall be his duty to communicate the same to the institutions concerned within 10 days of the communication of the results.

6.65. (a) The Controller of Examinations may, on the report given in writing by the head of the institution concerned, withhold the result of a Candidate, who has already taken the examination if the candidate has failed to pay the dues outstanding against him including hostel and mess charges, or has failed to return library books or other article, or in case of loss has not paid the cost thereof as assessed by the Head of the institution.

9.43. A candidate shall not be declared successful in the Master of Science examination, unless he obtains at least pass marks in all the courses prescribed for all the four semesters.

9.44. A candidate, who is unable to pass the Master of Science examination on account of his having obtained less than the pass marks in any course, may re-appear in the corresponding semester examinations of the following year in the courses in which he failed to obtain pass marks.

9.45. (a) The successful candidates shall be classified in two divisions as under:-

- (i) First Division: Those who obtain 60% or more of the aggregate marks.
- (ii) Second Division: Those who obtain 50% or more but less than 60% of the aggregate marks.

(b) Candidates obtaining 80% or above in first attempt will be given Honours in respective master's degree.

9.46. A candidate who fails to obtain the Master of Science degree in six years including the time allowed as late college student shall cease to be a candidate.

(The amendment is applicable w.e.f. Academic Session 1986-87).

9.47. A candidate passing the Master's degree examination in the subject of Mathematics, Statistics, Geography after passing the B.A. Examination, shall be awarded the M.A. degree & candidate passing the Master's degree examination in any of these subjects, after passing the B.Sc. examination, shall be awarded the M.Sc. degree.

9.47(A) Candidates, who have passed BCA/B.Sc.(IT)/Graduation (with Computer Science as full subject as elective in all the three years)/ B. Tech./ BE from a recognized University in Computer Science/ Application/ Information Technology / Electronics with 50% marks (45% marks for SC/ST category).

OR

Any Examination of foreign University, recognized as equivalent for the above purpose by equivalence committee of its own or on recommendation of Association of Indian Universities with 50% marks (45% marks for SC/ST).

Mode of Selection

The admission to M.Sc. (Computer Science) will be through an entrance test conducted by H.P. University, Shimla. The entrance test shall be of 150 MCQ type questions of one mark each, comprising of the following components:

Mathematics of Graduation level	40 questions
Logical Ability	40 questions
English and General Awareness	20 questions
Computer Ability	50 questions
Minimum qualifying marks in the entrance test are 35%.	

Medium of Instruction

English will be the medium of instruction as well as examination.

Scheme of the Examination

In 4th Semester, the student has to develop one project, which will be evaluated on the following basis:

Project Report Documentation	50
System Analysis & Design	200
Log Book and Interim Report	50
Seminars(two)	100
Viva-Voce	200

BACHELOR IN INFORMATION TECHNOLOGY (BIT)

(FOUR YEARS)

9.48. The duration of Bachelor in Information Technology (BIT) course shall be 4 years spread over eight semesters. The admission shall be made on the basis of entrance test. There shall be continuous evaluation through out the academic year on dates to be notified from time to time.

9.49. The basis of evaluation will be continuous assessment and terms and examination. The ratio of internal and external assessment will be 50:50 in theory papers as well Laboratory Courses.

Remaining 25% seats will be filled on all India basis. Other reservation rules of H.P. University shall be applicable.

BCA is three years degree course based on Semester of examination.

9.69: (Colleges for Centre of Excellence):

A candidate shall also be required to fulfill the following conditions to appear in the annual examinations:-

- i. 75% attendance is compulsory in theory and practical
- ii. 75% attendance is mandatory in seminars and submission of assignments.
- iii. It shall be compulsory to score minimum 50% marks in house examination.
- iv. It shall also be mandatory to participate in activities of subject societies.
- v. The University annual examination form shall be treated as provisional unless and until the eligibility criteria for appearing in annual examination is fulfilled by the candidate and a certificate to this effect is received from the Principal of the concerned college/ Centre of Excellence, at least 15 days prior to the start of annual/ practical examination.

CERTIFICATE IN COMPUTER APPRECIATION

9.70. The duration of the certificate in Computer Appreciation will be 2 to 4 weeks.

9.71. Mode of examination.

Each candidate will be examined on the contents of the course and on his assignments orally by a panel of two examiners. The panel will award either of the following two grades;

- (a) Pass
- (b) Fail

CERTIFICATE IN COMPUTER PROGRAMMING

9.72. Duration:- The duration of the Certificate in Computer Programming will be four months

9.73. Mode of Selection:- The selection will be on merit. The merit will be determined by the average of the percentages of Marks secured by

the candidates in all the examinations from high school or equivalent onwards on the basis of which any degree or certificate was awarded to him/her at the time of application.

9.74. There will be three courses and a project work. The courses of study will be prescribed by the Faculty from time to time.

9.75. Mode of Examination:- The mode of examination in each of the formal courses will be a comprehensive examination of three hours duration consisting of short answer and multiple choice questions as well as a few problems. The performance in the project will be handled in a manner similar to the M.Sc. classes of the University.

The approval of the Project Report will be compulsory for the award of Certificate.

POST GRADUATE DIPLOMA IN COMPUTER APPLICATION

9.76. The duration of the course shall be one year spread over two semesters.

BASIS OF ADMISSION:

9.77. The selection will be made strictly on merit. The merit is to be determined on the basis of marks obtained in the written test. The competitive examination (written test) will consist of 100 marks and of 1½ hours duration and shall include two sections viz. Section A will consist of questions of general Aptitude and B will consist of questions on Mathematics of +2 level.

9.78. There will be five courses and a Project work (practical). The courses of study will be prescribed by the Faculty from time to time.

9.79. Mode of Examination:- The mode of examination in each of the formal courses will be a comprehensive examination of three hours' duration consisting of short answers, multiple choice questions as well as a few problems. The performance in the project will be evaluated by a panel of two examiners including one internal examiner who will hold a viva-voce test before awarding the marks.

The award of division, pass marks and all other matters will be on the pattern of M.Sc. examinations of the University.

MASTER IN COMPUTER APPLICATION

9.80. The duration of the Master in Computer Applications course shall be 3 years, spread over six semester. There shall be an examination at the end of each semester and examination of all semesters for re-appear candidates, ordinarily in the months of November and June on the dates to be notified by the Controller of Examinations.

9.81. Basis of Admission:-

The admission to MCA course will be made on the basis of merit of the Entrance Examination (written test) conducted by H.P. University.

Written Test 130 Marks

Duration 2:00 hours

The written test will consist of one paper of 130 marks and of 2 hours duration and shall include the following four sections:

Section	Contents	Marks
A	General logical ability & aptitude	40
B	Mathematics of + 2 level	50
C	Basics of Computers and its Awareness	25
D	General English	15
	Total	130

The minimum qualifying marks in the Entrance Examination (written test) for subsidized and non-subsidized seats will be 35% i.e. 46 marks out of total of 130 Marks.

9.82. Except in the course in Basic Mathematics, the pass marks in each course shall be 40% in each written paper and in the internal assessment separately, and 40% in viva-voce, project work and semester course and 50% in the aggregate subject to the conditions that the aggregate shall be determined at the end of the examination i.e. at the time of the result of the fourth semester examination, and a candidate obtaining pass marks in any course shall not be required to appear in that course, even though he may have failed in the Master of Computer Application course.

9.83. CERTIFICATE COURSE IN HUMAN RESOURCE DEVELOPMENT PROGRAMME IN COMPUTERS

ELIGIBILITY & BASIS OF ADMISSION:-

In the affiliated Colleges, all final year students with at-least 50% marks in the first and second year shall be eligible. In the P.G. Centre all students of third semester with 50% marks in Graduation shall be eligible. Only those in service and other candidates shall be admitted to either affiliated College or P.G. Centre, for condensed course who are graduates with at least 45% marks. The admission shall be on the basis of the merit of the student as per his/her past academic record considering the marks obtained in the foregoing years in the institution. The responsibility for conducting this admission will lie with the institution where this course is to be run.

9.84: BASIS OF ADMISSION:

The basis of admission to M.Tech (Computer Science) 2 years course shall be as under:-

The competitive examination (written test) will be conducted by the H.P. University. The entrance test shall be of 200 MCQ type questions of one marks each, comprising of the following components:

- i) Mathematics of graduation level: 40 questions
- ii) Logical ability: 40 questions
- iii) English and General Awareness: 20 questions
- iv) Computer Ability: 100 questions

Minimum pass marks in the entrance test are 35%.

9.85. MODE OF EXAMINATION:- The examination shall be held for both these categories once a year at the end of each academic year ordinarily in the months of March/April on the dates notified by the Controller of Examinations. There shall be three written papers and a practical test. The syllabi of studies shall be as prescribed by the Faculty of Science from time to time. The medium of examination shall be English.

The minimum marks required to pass the Certificate Course examination shall be 45% separately in each written paper and the practical test. The successful candidates shall be classified in two divisions as follows.

- (i) First Division: those who obtain 60% or more of the aggregate marks, those obtaining 75% or more of the aggregate marks shall be shown to have passed the examination with Distinction.
- (ii) Second Division: those who obtain 45% or more, but less than 60% of the aggregate marks.

9.86:

(i) Post Graduate Diploma in Applied Analytical Chemistry

(ii) Post Graduate Diploma in Polymer Sciences

(a) (i) DURATION OF THE COURSE:-

Duration of the courses shall be one year spread over two semesters.

(a) (ii) Admission:- Candidates will be admitted on the basis of merit obtained in the qualifying examination. Merit will be determined as follows:-

% age of marks obtained.

= Total aggregate marks in B.Sc.

+ Total marks in Chemistry/Maximum Marks in B.Sc.

+ Chemistry X 100

- (b) **EXAMINATION:-** Examination will be held at the end of each semester on the dates to be notified by the Controller of Examinations.
- (c) **SYLLABI:-** The Syllabi of Studies in these courses shall be as prescribed by the Faculty of Physical Sciences.
- (d) **MEDIUM OF EXAMINATION:-**
- (a) The question paper shall be set in English.
 - (b) The candidates shall write their answer in English.
- (e) **PASS MARKS:-** The pass marks shall be 40% (separately in theory and practicals) and a candidate obtaining pass marks in any course shall not be required to re-appear in that course even though he may have failed in the other courses.

9-A-4. The medium of examination shall be English.

9-A-5. (a) Half of the marks in each course shall be assigned to internal assessment, based on short tests, library assignments, practical record and mid-semester examination. The Head of the Institution shall forward these marks to the Controller of Examinations at least two weeks before the semester examination and shall preserve the record, on the basis of which internal assessment awards have been prepared for six months after the date of declaration of the result for inspection by the University, if so required.

(b) The pass marks in each course shall be 40% (separately in theory and in practical or oral test, if any) both in the internal assessment and the semester examination; and a candidate obtaining pass marks in any course shall not be required to re-appear in that course even though he may have failed in the examination as a whole.

9-A-6. A candidate is required to pass in all courses in each semester, provided that:-

(a) a candidate, who obtains pass marks in Microbiology and one other course in the first semester may be permitted to proceed to the second semester but he shall not be permitted to proceed from the second semester to the third semester, unless he obtains at least pass marks in Microbiology and at least one other course prescribed for the second semester.

(b) in the third semester, the candidate shall be required to appear in the course in which he may have failed to obtain pass marks in the first semester and also the courses prescribed for the third semester;

(c) in the fourth semester, the candidate shall be required to appear in the course in which he may have failed to obtain pass marks in the second semester and also the courses prescribed for the fourth semester;

(d) A candidate shall not be permitted to proceed from the fourth to the fifth semester, unless he has obtained at least pass marks in all courses prescribed for all the first four semester.

(e) A candidate who has obtained at least pass marks in all the courses of the first and the second semester but has failed to obtain pass marks in any of the courses of the third and the fourth semester, shall be allowed one more chance to re-appear in those courses in the corresponding semester examination of the following year. If he fails even then to obtain pass marks in these courses, he shall cease to be a candidate;

(f) A candidate, who fails to obtain pass marks in any of the courses of the fifth or the sixth semester shall be allowed one more chance to appear in the corresponding semester examination of the following year. If he fails even then to obtain pass marks in these courses, he shall cease to be a candidate.

9-A-7. To pass the B.Sc. (Microbiology) examination, a candidate shall be required to pass in each of the courses prescribed for the six semesters.

9-A-8. The aggregate marks obtained by a candidate in the B.Sc. (Microbiology) examination shall be the sum total of the marks obtained by him in each course in which he has passed in the six semesters.

9-A-9. The successful candidate shall be classified in three divisions as under:-

- | | |
|----------------------|---|
| (i) First Division | Those who obtain 60% or more of the aggregate marks. A candidate obtaining 75% or more of the aggregate marks shall be shown to have passed the examination with distinction. |
| (ii) Second Division | Those who obtain 50% or more but less than 60% of the aggregate marks. |
| (iii) Third Division | Those who obtain less than 50% of the aggregate marks. |

MASTER OF SCIENCE (MICROBIOLOGY)**M.Sc. (Microbiology)**

9-A-10: The duration of the Master of Science (Microbiology) course shall be two academic years spread over four semesters. There shall be an examination at the end of each semester, on the dates to be notified by the Controller of Examinations.

9-A-11: A candidate shall be required to take in each of the first three semesters all the prescribed courses, and in the fourth semester he/she shall be required to submit a Project Report.

9-A-12: The syllabus of the studies in each course shall be recommended by the Board of Studies in Microbiology, and the same shall be approved by the Faculty of Life Sciences from time to time.

9-A-13: The medium of instructions as well as the examinations/ internal assessments/assignments shall be in English language.

9-A-14. (a) Half of the marks in each course shall be assigned to internal assessment, based on short tests, library assignment, practical record, mid-semester examination and seminars, and the candidate shall be required to pass both in the internal assessment and the semester examination. The head of the institution shall forward these marks to the Controller of Examinations at least two weeks before the semester examination, and shall preserve the record on the basis of which internal assessment awards have been prepared for six months after the date of declaration of the results for inspection by the University, if so required.

(b) The pass marks in each course shall be 40% (separately in theory and in practical and in project report), prescribed for the fourth semester both in the internal assessment and the semester examinations; and a candidate obtaining pass marks in any course shall not be required to re-appear in that course, even though he may have failed in the examination as a whole.

9-A-15: A candidate is required to pass in all courses in each semester as well as the Project Report prescribed for the fourth semester. Provided that:-

- (a) A candidate, who appears in the examination and fails to obtain pass marks in any course in the first semester, may be permitted to proceed to the second semester, but he/she shall not be permitted to proceed from the second semester to the third semester without appearing in the examination.

- (b) In the semester examinations, a candidate may appear simultaneously in the course(s) in which he/she might have failed in the previous semester (s). However, the candidate shall not be permitted to proceed from the third to the fourth semester without appearing in the examinations.
- (c) At the time of fourth semester examination, the candidate may appear in the course(s) in which he/she might have failed to obtain pass marks in the second or/and third semester and also in all the courses prescribed for the fourth semester, and has submitted the Project Report.
- (d) The Vice-Chancellor may, however, permit a candidate who is otherwise eligible to appear at the examination to proceed from one semester to another without appearing in the examination if to the satisfaction of the Vice-Chancellor the candidate was prevented from appearing in the said examination on account of serious illness or any other unforeseen circumstances beyond his/her control provided that intimation to this effect accompanied by documentary proof thereof is communicated to the University within a week of the expiry of the concerned examination.

However, such a case shall require approval of the Academic Council as well as the Executive Council of the University.

9-A-16: A candidate shall not be declared successful in the M.Sc. (Microbiology) examination, unless he/she obtains at least pass marks in the courses prescribed for the first three semesters and also in the Project Report prescribed for the fourth semester.

General

13.1 (a): There shall be following course leading to the grant of degree Technology/Architecture (B.Tech/ B.Arch) and Master of Technology/ Architecture (M.Tech./ M.Arch) in the different branches of Engineering Sciences:

- i) Civil Engineering.
 - ii) Electrical Engineering
 - iii) Mechanical Engineering
 - iv) Electronics and Communication Engineering
 - v) Computer Science and Engineering.
 - vi) Information Technology
 - vii) Architecture.
 - viii) Bachelor of Pharmacy (B. Pharma)
- (b)** The duration of the course of instructions for Bachelor of Technology in any of (i) to (vi) will be four years. The teaching period will be divided in eight semesters of 16 weeks each.
- (c)** The duration of the course of instructions for Bachelor of Architecture (B.Arch) will be five years. The teaching period will be divided in ten semesters of 16 weeks each. The duration of the course of instructions for Masters of Technology/ Architecture will be two years. The teaching period will be divided in four semesters of 16 weeks each.
- (d)** The duration of course of instruction for Bachelor of Pharmacy (B.Pharma) will be 4 years. The teaching period will be divided in 8 semesters of 14 weeks each.

13.2 : QUALIFICATION FOR ADMISSION:

(i) FOR B.TECH.:

- (a) FRESH ENTRY:** The admission to the first semester course in B.Tech. in any branch will be through an Entrance Test. It will be open to a candidate who has passed the 10+2 examination of the H.P. Board of Secondary Education Dharamshala or its equivalent with Physics and Mathematics

as compulsory subject and one science subject out of Chemistry, Computer Science, Biology, Biotechnology (Engg. Design in case the admission is sought to B. Arch course):

Provided that in case no candidate out of AIEEE merit is available after providing sufficient opportunity then the vacant seats shall be filled up on the basis of merit of qualifying examination i.e. 10+2 examination as per eligibility conditions prescribed by AIEEE.

- (b) LATERAL ENTRY:** For being eligible to seek lateral entry to an Engineering Degree programme at the second year/third semester level, a student should have acquired a diploma of 3 years (after matric) of H.P. State Board of Technical Education or equivalent. Lateral entry for diploma holders will be allowed at the second year/ third semester level and the total number of seats reserved for such students will be 10 percent of the sanctioned intake of first year level in each branch over and above. Out of the allowed intake of 10% of the sanctioned seats under lateral scheme 20% of this intake by admitted under the category of sponsored candidates be made other eligibility conditions remaining the same. The candidates seeking admission against seats reserved for lateral entry must have passed diploma course with a minimum of 60% marks in the aggregate. Such candidates can be admitted to any of the Engineering branches available in the college of B.Tech. 2nd year (3rd semester) on the basis of common merit list of the qualifying examination. Common merit list of various applicants will be drawn through normalization of merit list of various branches of diploma on the basis of which admission will be made;

Provided that the vacant seats in the 2nd year/ 3rd semester level of Under Graduate course in the field of Engineering & Technology and Architectural course in addition to 10% ceiling prescribed over and above of sanctioned intake of first year level shall be filled up from the common merit list drawn for filling the lateral entry seats;

Provided further that the vacant seat, if remained unfilled from the bonafide Himachali candidate shall be filled up from the candidates who have passed the prescribed diploma at least 60% marks (Aggregate) from other University/ Board after exhausting all possibilities of filling these seats from bonafide Himachal students.

ii) FOR M.TECH/M.ARCH:

- a) The admission to the first semester course in M.Tech in any branch will be based on the merit determined with 70% weightage for valid GATE score and 30% for B.Tech marks. It will be open to a candidate who has passed B.Tech examination of H.P. University or its equivalent.

- b) **SPONSORED:** To encourage Faculty of Technical Institutes in the State to improve their qualifications and to meet the acute shortage of M.Tech/ Ph.Ds. among the faculty involved in teaching and research in M.Tech. Programmes being run in the State, a maximum of twenty percent seats for faculty members of H.P. University/ Engg. Institutes, duly sponsored by the Institutes, may be admitted in each of such M.Tech courses being run in the affiliated technical colleges/ institutes of the Himachal Pradesh University. This facility will also be extended to the personnel from industry to enhance their qualifications.
- c) **PART-TIME IN HOUSE FACULTY DEVELOPMENT PROGRAMME:** M.Tech (Part –time) programme will be offered for regular or contractual faculty, and will be provided alongwith regular teaching of M.Tech. Its duration will be of 3 years. These seats will be supernumerary and will be decided by the Director/ Principal of Institute/ College.
- d) **M.Tech.(Mechanical Engineering):** The candidates should have passed with minimum 55% marks in aggregate (50% marks in case of SC/ST) or CGPA of 6.25 at 10 point scale in B.Tech./B.E. in Mechanical Engineering/ Production Engineering/Automobile Engineering/Industrial Engineering and Management/Aeronautics Engineering /Mechatronics/Mining Engineering/Product Design/Product Design and Development/ Metallurgy Engineering or its equivalent examination from any recognized University/Institution.
- e) **M.Tech.(Electronics and Communication Engineering):** The candidate should have passed with minimum 55% marks in aggregate (50% marks in case of SC/ST) or CGPA of 6.25 at 10 point scale in B.Tech./B.E. in Electrical and Electronics Engineering/Electronics and Communication Engineering/Electronics and Telecommunication Engineering/Electronics Engineering or its equivalent examination or B.Tech. in any branch from any recognized University/Institution.

REGULATIONS FOR B.TECH IN VARIOUS BRANCHES WITH REGARD TO CONDUCT OF TEACHING EXAMINATION AND AWARD OF DEGREE.

13.3(a): The subjects to be studied in each semesters will be as per scheme of examination indicating the minimum number of lectures to be delivered, distribution of marks in written examination, practical examination, viva-voce examination, internal assessment sessionals etc. for each subject. The medium of instruction and examination will be English.

Provided in the case of Bachelor of Pharmacy (B.Pharma) the subjects to be studied in each semester will be as per the scheme of examination.

Sessional examination in each paper shall contribute 20% of total marks allocated to the paper in case of theory subjects where as there will be 20% internal assessment for practical assessment based on day to day performance. The semester examination shall contribute the remaining 80%. The College shall conduct 2 sessional examination in theory subjects and average of these two shall contribute to the final result. Internal assessment in practical examination shall be based on day to day performance/ viva and lab record etc. Marks obtained by the students in sessional examination shall remain unchanged and no chance of improvement of sessional marks can be given. The medium of instruction and examination will be English.

- (b)** 1st, 3rd, 5th and 7th semester examinations will be held in the month of December/January and 2nd, 4th, 6th and 8th semester examination will be held in the month of May/June every year or on such other dates as may be fixed by the University. Besides for 7th and 8th semester an additional examination shall be conducted ordinarily in the month of August/September every year.
- (c)** For every hour per week of subject shown in the schedule of teaching, there shall be at least ten (lectures+ tutorials)/ practicals/ drawing classes during the semester. A student shall be eligible to appear in the examination only if he has attended at least 7.5 (Lectures + Tutorials)/ practice drawing classes during the semester of the classes held as mentioned above. The attendance shall be certified by the Director, University Institute of Information Technology/ Principal of the Engineering College concerned.

Provided in the case of Bachelor of Pharmacy (B. Pharma) no regular student shall be permitted to appear in semester examination unless he or she has regularly attended not less than 75% classes in aggregate of all the subjects. The Principal of the Bachelor of Pharmacy College will certify the attendance. The attendance will be recorded every month on the last day in an academic year.

- (d)** Director of Institute of Information Technology/ Principal of the Engineering Colleges as the case may be, will have the power to condone the shortage of attendance upto 10 percent only per subject on the merit of the case.

Provided in the case of Bachelor of Pharmacy the Principal of Bachelor of Pharmacy College may however condone not more than 10% of attendance per subject on the merit of the case. Further, such relaxation can be granted only on submission of certificate/ evidence from appropriate authority.

- (e) A candidate who does not fulfill the attendance requirements in any subject will have to repeat the course of instruction in that subject.
- (f) A candidate shall be allowed to join the next higher semester provided he has undergone a regular course of studies in all the previous semesters in a sequential order by registering himself at the beginning of each semester.

Provided in the case of Bachelor of Pharmacy (B.Pharma) candidate shall be allowed to join the next higher semester provided he/she has undergone a regular course of studies in all the previous semesters in a sequential order by registering him/herself in the beginning of each semester. A candidate who has failed to complete the main semester examination shall be eligible to appear for odd or even semester examination in the carry over subjects (including theory and practicals). For the purpose of passing an examination, theory and practical of each subject shall be considered as separate papers and an examinee has to pass theory and practical.

- 13.4 (a):** In addition to the regular paper prescribed for the semester a candidate appearing in a particular semester examination for the first time will be allowed to appear in a maximum of 6 subjects of lower semester/ semesters.
- (b) A candidate will be required to pass in all the subjects of B.E/B.Tech/ B.Pharma course where minimum pass marks are prescribed in a maximum duration of 8 academic years counted from academic session in which candidate is admitted in B.E. first semester, if a candidate fails to pass the examination in the period of eight years his/her candidature will stand cancelled automatically. This period/ eight academic years will also include the entire period during which he/she has suspended his/ her studies on his/her own or has failed in the examination or debarred by University from taking any examination.
- (c) Notwithstanding anything contained in the Ordinances to the contrary a student may complete the entire Bachelor of Pharmacy (B.Pharma) course in not more than 16 semester examination starting from the semester of his/her admission to the course. Failure to complete the course in 16 semester examinations shall render the student unfit for the course and his/ her admission shall automatically be cancelled at the end of 16 semesters without any notice. The students who are unlikely to satisfy this condition shall not be allowed to further continue his or her studies from that stage onwards.

13.5(a): A candidate will be deemed to have passed in a subject if he obtains 40% marks in the aggregate of the subject (after including marks for together). Provided further that the candidate must obtain a minimum of 40% marks in the theory subject in the examination conducted by the University also.

EXPLANATION: No pass marks are required for internal assessment/ sessional marks of theory paper, However, pass marks are required for internal assessment/ sessional marks for Non-Theory papers as explained below.

(I) NON THEORY PAPERS:

- (A)** A candidate will be deemed to have passed in a non-theory subject (practical seminar/project/ vocational training etc.) if he/ she obtains the following minimum marks, if not specified in the scheme otherwise:
- i) 40% in the examination marks (if the University examination is prescribed); and
 - ii) 50% in the internal assessment/ sessional marks. However, a candidate will be required to pass the sessional assessment, before appearing in the University examination, if any.
- (B)** If a candidate fails in the University examination part of a subject he will have to re-appear in that part in a subsequent examination. If a candidate fails in internal assessment/ sessionals he will be required to improve his internal assessment/ sessional marks by doing extra work to the satisfaction of the Head of Department and concerned faculty member who will assess the candidate for award of internal assessment/ sessional marks.

(II). THEORY PAPERS:

If the candidate fails in a subject, he/she will have to re-appear in the subsequent University examination. The candidate who fails in the internal assessment/sessionals will be allowed to be re-examined in the next semester for internal assessment/sessionals in B.Tech. courses.

- (b)** In order to pass an examination an examinee shall have to obtain : -
- i) 50% marks in each theory paper including the marks obtained in sessional examination.
 - ii) 50% in each practical paper including the internal assessment of the same.

In order to be declared successful in Bachelor of Pharmacy (B.Pharm.) examination a candidate shall have to prepare educational tour reports/ project report. 6th semester students will have to submit industrial training report after visiting various Pharma industries so as to get acquainted with modern technology in the field of medicine.

13.6(a): If an error is detected in the sessional marks despite every possible care having been exercised, the teacher-incharge of the sessional awards will bring the fact to the notice of the Principal for its being placed before the Board of Moderators. If the Board of Moderators approves the change, then revised awards shall be submitted to the University duly countersigned by the members of the Board of Moderators and Principal of that college, for consideration;

(b) The internal assessment and sessional marks submitted by the teacher concerned will be scrutinized by a committee which will have the powers to moderate the marks before submitted to the University. The committee shall be appointed by the University on the recommendations of the Conveners of the various Boards of Studies in Engineering.

13.7: A detailed marks card will be issued for each semester. A candidate obtaining minimum 50% in aggregate will be awarded the Degree of Technology/ Bachelor of Pharmacy on passing all the subjects prescribed for the Degree.

Provided a candidate who could not obtain minimum 50% marks aggregate in the ordinary course will be allowed to improve his score in the paper(s) of his choice within the stipulated time frame under the rules.

13.7-A. (i) Inter college/ University migration shall be allowed provided the curriculum followed by the two Colleges/ Universities is the same.

(ii) Inter College/University migration will be allowed only if the Principals/ Directors of the two colleges agree for migration.

(iii) Migration shall not be allowed in the middle of any year and in no case before the completion of the 1st year of the B.Tech examination. It will be allowed only within 15 days after declaration of result of B.Tech courses in H.P. University and not after that, subject to the condition that the number of migrations shall not exceed 5% of the total intake and will be subject to the availability of vacancy.

(iv) No candidate will be allowed migration if the candidates merit percentage in the entrance test is below the merit percentage of the last admitted candidate in that category/ branch in the institute where the candidate is migrating. In case for a vacant seat more than one candidate apply for migration, candidate higher in merit will be allowed migration.

13.8: The divisions will be awarded as follows:

- | | |
|----------------------------------|---|
| a) Those who obtain 70% or more: | First Division with Honours provided each subject has been cleared at the first attempt (i.e. first time a candidate has actually sat for the subject in the University examination). |
|----------------------------------|---|

- b) Those who obtain First Division.
60% and above:
- c) Those who obtain Second Division
less than 60% of
the aggregate marks:

13.8 (i) Examinees declare successful in all 8 semester of Bachelor of Pharmacy (B.Pharma) examinations shall be placed in the divisions on the basis of aggregate of marks obtained in the examinations of all the 8 semesters. The successful candidate shall be classified in two divisions as under:-

- 1. First Division: 60% and more of aggregate marks.
- 2. Second Division: Less than 60% of aggregate marks.

The candidate obtaining 75% of more aggregate marks in Bachelor of Pharmacy (B.Pharma) will be awarded first division with Honours.

13.9: Fee for appearing in each semester examination will be as prescribed by H.P. University from time to time. A candidate on re-appearing shall pay admission fee as prescribed by H.P. University from time to time.

MASTER OF TECHNOLOGY/ ARCHITECTURE (M.TECH/M.ARCH):

Regulations for M.Tech/M. Arch. in various branches with regard to conduct teaching, examination and award of degree.

13.10(a): The subjects to be studied in each semester will be as per scheme of examination indicating the minimum number of lectures to be delivered or marks in written examination, practical examination, viva-voice examination, internal assessment, sessionals etc. for each subject. The medium of instruction and examination will be English.

- (b)** 1st and 3rd semester examinations will be held in the month of December/ January and 2nd & 4th semester examinations will be held in the month of May/June every year or on such other dates as may be fixed by the University.
- (c)** For every hour per week of subject shown in the schedule of teaching there shall be atleast ten (lectures + tutorials)/ drawing classes during the semester. A student shall be eligible to appear in the examination only if he has attended atleast 8 (lectures + tutorials)/ practicals/ drawing classes during the semester of the classes held as mentioned above. The attendance shall be certified by the Director, University Institute of Information Technology/ Principal of the Engineering College concerned.
- (d)** Director of Institute of Information Technology/ Principal of the Engineering Colleges as the case may be, will have the power to condone the shortage of attendance upto 10 percent only per subject on the merit of the case.

- (e) A candidate who does not fulfil the attendance requirements in any subject will have to repeat the course of instruction in that subject.
- (f) A candidate shall be allowed to join the next higher semester provided he has undergone a regular course of studies in all the previous semesters in a sequential order by registering himself/ herself at the beginning of each semester.

13.11(a): In addition to the regular papers prescribed for the semester; a candidate appearing in a particular semester examination for the 1st time will be allowed to appear in a maximum of 3 subjects of lower semester/ semesters.

- (b) A candidate will be allowed a maximum of 2 attempts to appear in any semester examination. These attempts will be spread over four successive University examinations for odd semesters in December/ January and for even semester in May/ June if a candidate does not avail any chance to appear in any examination, whatever may be the reason, he/ she will not be allowed the relaxation in duration of four years.
- (c) A candidate will be required to pass in all the subjects of M.Tech/ M.Arch course, where minimum pass marks are prescribed in a maximum duration of four academic years counted from academic session in which candidate is admitted in M.Tech/M.Arch. first semester. If a candidate fails to pass the examination in the period of four years, his/ her candidature will stand cancelled automatically. This period of four academic years will also include the entire period during which he/she has suspended his/ her studies on his/ her own or has failed in the examination or debarred by University from taking any examination.

13.12: A candidate will be deemed to have passed in a subject if he obtains 40% marks in the aggregate of the subject (after including marks for University examination and internal assessment put together). Provided further that the candidate must obtain a minimum of 40% marks in the theory subject in the examination conducted by the University also.

The committee shall be appointed by the University on the recommendations of the Conveners of the various Boards of Studies in Engineering.

13.14: A detailed marks card will be issued for each semester. A candidate obtaining minimum 50% in aggregate will be awarded the degree of Master of Technology of passing all the subjects prescribed for the degree.

13.15: The divisions will be awarded as follows:

- a) Those who obtain 75% or more of the aggregate marks First Division with Distinction provided each subject has been cleared at the first attempt (i.e. first time a candidate has actually sat for the subject in the University examination).
- b) Those who obtain 60% and above. First Division
- c) Those who obtain less than 60% of the aggregate marks Second Division

13.16: Fee for appearing in each semester examination will be prescribed by H.P. University from time to time. A candidate on re-appearing shall pay admission fee as prescribed by H.P. University from time to time.

CHAPTER-XIV**FACULTY OF MEDICAL SCIENCES****BACHELOR OF MEDICINE AND BACHELOR OF SURGERY**

14.1 Admission to the Course-(a) The admission to the M.B.B.S. course shall be on the basis of a competitive examination to be conducted by the University, ordinarily in the month of June, on the dates to be notified by the Controller of Examinations.

(b) (i) The examination shall consist of one MCQ type written paper containing questions from the subjects of Biology, Chemistry and Physics in accordance with the syllabi prescribed for these subjects for 10+2 (+1& +2 classes taken together) as prescribed by the HP Board of School Education.

(ii) The medium of examination shall be English.

(iii) Merit shall be determined on the basis of aggregate marks obtained in the entrance test by the candidates and a merit list shall be prepared by the COE keeping in view the detailed instructions on the subject and made available to the Principal of Medical College in the State.

(iv) The Inter-se-ranking of the candidates obtaining equal aggregate marks shall be according to the marks obtained by the candidates in Biology, Chemistry and Physics in that order in entrance test and in case of tie still remaining unresolved, the candidate older in age shall rank higher.

14.2 (a) (i): The commencement of the course of study of the 1st year M.B.B.S. will be ordinarily from the month of August every year.

(ii) The duration of the course shall be 4½ academic years from the month of admission followed by one year compulsory rotating internship.

(iii) The practical and Practical Training examination system etc. and internship training will be according to the criteria laid down by the Medical Council of India duly approved by the Faculty of Medical Sciences from time to time.

(iv) The examination shall be held in three parts i.e. Phase-1 , 1st Professional MBBS (pre-clinical), after one year in second Semester (Annual) in the month of July/August followed by a supplementary examination in the month of November/ December. Phase II, 2nd Professional M.B.B.S. examination after completion of 18 months training of Phase-I (Annual) in 5th

semester in the month of March/April followed by a supplementary examination in the month of September/ October. Phase III (Third Professional Part-I after 12 months of passing phase II examination in seventh semester in the month of March/April followed by a supplementary examination in the month of September/October and 3rd professional part-II examination after 12 months of passing part-I MBBS examination in ninth semester in the month of March/ April and followed by a supplementary examination in the month of September/ October.

14.3 The syllabi of study shall be as prescribed by the Faculty of Medical Sciences from time to time.

14.4 A candidate shall be required to study the following subjects:-

(a) Phase-I One year duration consisting of two semesters First Professional Examination (Pre-Clinical)

- (i) Human Anatomy
- (ii) Human Physiology
- (iii) Biochemistry
- (iv) Environment Studies

(b) Phase II:- One and half year duration consisting of three Semesters (Post Clinical) examination shall be conducted in fifth semester in the subject of:-

- i) Pathology
- ii) Microbiology
- iii) Pharmacology
- iv) Forensic Medicine

(c) Phase –III Part-I (Seventh semester) in the subject of:-

- i) Ophthalmology
- ii) Oto-rhino-Laryngology
- iii) Community Medicine

(d) Phase-III Part-II (at the end of 9th semester in the following subjects:-

- (i) Medicine
- (ii) Surgery
- (iii) Obstetrics and Gynecology
- (iv) Pediatrics

14.5 The medium of examination shall be English.

14.6 (a) There shall be external and internal examiners for each subject of examination, to be appointed by the Pro-Vice-Chancellor/Vice-Chancellor on the recommendations of the Dean, out of the panel of names suggested by the concerned Head of the department.

(b) There shall be four examiners (two internal and two external) and in exceptional cases atleast three for the main examinations (Annual).

Provided further that in any subject where only one teacher qualifies to be an internal examiner, there shall be one external examiner as well.

(c) No person will be appointed as an examiner in any of the subject of the Professional examination leading to and including Final Professional examination for the award of M.B.B.S. degree unless he/she has atleast five years of teaching experience in the subject concerned or in the allied subject in an affiliated college of a recognised University after a post-graduate degree or an equivalent qualification in the particular subject as per communication of the Council on the teachers eligibility qualifications.

Non-Medical teachers entrusted with the teaching of medical students may be appointed as examiners in their concerned subjects in case they possess requisite qualifications and five years teaching experience to medical students after obtaining their post-graduate qualifications.

(d) One of the internal examiners shall always be Head of the Department of the subject concerned.

(e) All teachers (Associate Professors and onwards) with requisite qualifications and experience be appointed as second internal examiner by rotation, in their subjects.

Provided that where there are no posts of Associate Professors, an Assistant Professor with requisite qualifications and experience with five years standing as Assistant Professor, may be considered for appointment as an examiner.

(f) Selection of examiners both internal and external will be such that all fields of the subject are covered proportionately for examinations both in annual and supplementary.

(g) The senior internal examiner should be the Chairman/Co-ordinator of the board of examiners who will act as the Moderator also.

(h) The external and internal examiners will be required to set their respective parts and send them to Senior Internal Examiner for Moderation who will then submit both internal and external paper to the University.

NOTE:- In case of three examiners, the work of the fourth examiner will be done by the Chairman of the Board of Examiners.

14.7 (a) In each part of the M.B.B.S. Examination, marks of internal assessment based on periodical/terminal examinations, practical, clinical tests day to day assessment, Laboratory Manuals, case notes as prescribed by the Faculty of Medical Sciences from time to time keeping in view the criteria laid down by the Medical Council of India, shall be submitted to the Controller of Examinations by the Principal prior to the commencement of the University Examination.

(b) For the purpose of internal assessment the Principal of the Medical College concerned shall arrange at least three periodical examinations in each part of the course, and the internal assessment awards shall be submitted to the Registrar at least two weeks before the commencement of the University examination.

(c) The Principal shall preserve for six months after the declaration of the results, the record on the basis of which the internal assessment is made. This record shall be made available to the University for inspection, if so required.

14.8 (a) A candidate will be required to pass in all the subjects in each part of the Professional MBBS examination. The minimum number of marks required to pass shall be 50% in theory including oral and 50% in practical/clinical examinations separately.

(b) The candidate who has passed in one subject need not appear in that subject again in any subsequent examination.

(c) (i) A candidate shall not be promoted to the Phase-II of (Second Professional) M.B.B.S. unless he has passed the Phase-I (First Professional) examination. However, candidate failing in the annual examination may be allowed to attend the next higher class till supplementary examination. But this concession will not be given to the candidate failing in the supplementary.

(ii) Candidates failing in the annual examination of Phase-II (Second Professional) shall be allowed to attend their classes of Phase-II subject (Second Professional). They however, will not be allowed to appear in Phase-III (Final Professional) examination till they have passed examination of Phase-II (Second Professional).

14.9 (a) A candidate who passes in any part of the Professional M.B.B.S. examination obtaining 75% of the aggregate marks in any subject, shall be declared to have obtained 'Distinction' in that subject.

(b) A candidate who obtains 75% or more of the maximum marks in each of the three Professional M.B.B.S. examinations, shall be declared to have passed the M.B.B.S. examination with 'Honours'.

Provided that no candidate shall be declared to have passed with 'Distinction' or with 'Honours' unless he passes in all the subjects in the first regular examination in which he was due to appear.

14.10 A candidate after passing the Phase-III (Final Professional) M.B.B.S. examination shall be granted only provisional certificate, entitling him to get a provisional registration with State Medical Council, but he shall not be

awarded the M.B.B.S. degree, unless he satisfactorily completes the prescribed rotating internship training for a period of 12 months. Such a candidate may, however, at the discretion of the Principal be allowed to take and complete the Internship training in any other hospital recognised by the Medical Council of India for the purpose of internship training.

(b) 12 months rotating internship training programme will be according to the criteria laid down by Medical Council of India from time to time.

(c) The intern shall maintain a record of work which is to be verified and certified by the Medical Officer under whom he works. Apart from scrutiny record of work, assessment and evaluation of the training may be undertaken by an objective approach using situation tests in knowledge, skills and attitude during and at the end of the each training. Based on the record of work and date of evaluation the Principal will issue certificate of satisfactory completion of training and the grade awarded.

14.11 In the matters not dealt here with the decision of the Dean Faculty of Medical Science duly based up on the recommendations of the Medical Council of India, after due consideration by the Pro-Vice-Chancellor/Vice Chancellor of the University will be taken as final.

14.12 There shall be following Post-graduate degree courses (MD/MS).:-

(1) Doctor of Medicine

- (a) Anesthesiology
- (b) Community Medicine
- (c) Medicine
- (d) Obst. & Gynecology
- (e) Pharmacology
- (f) Physiology
- (g) Radio-Diagnosis
- (h) Pediatrics
- (i) Pathology
- (j) Forensic Medicine
- (k) Microbiology
- (l) Biochemistry
- (m) Psychiatry
- (n) Pulmonary Medicine

(2) Master of Surgery (M.S.)

- (a) Surgery
- (b) Orthopedics
- (c) Oto-rhino-Laryngology
- (d) Ophthalmology
- (e) Obstetrical & Gynecology

(3) Diploma Courses

There shall be following Post Graduate Diploma Courses:

- Post-graduate diploma in Anesthesiology (DA)
- Post-graduate diploma in Clinical Pathology (DCP)
- Post-graduate diploma in Forensic Medicine (DFM)
- Post-graduate diploma in Ophthalmology (DO)
- Post-graduate diploma in Oto-rhino-Laryngology (DLO)
- Post-graduate diploma in Pediatrics (DCH)
- Post-graduate diploma in Radio-diagnosis (DMRD)
- Post-graduate diploma in Orthopedics (D.Ortho)

14.12(A): Provided that there shall be following degree course in super specialities:-

- (a) D.M.Cardiology
- (b) M.ch(CTVS)

14.13 Duration of Course(s): The duration of the degree course(s) i.e. M.D./M.S. shall be 36 months and Post graduate diploma course(s) shall be 24 months.

14.14 Admissions:- The admission for the course(s) will be made by conducting an entrance test as per schedule prescribed by the DGHS Govt. of India time to time.
