Respected Principal,

We, the members of the college students central association (CSCA) of government college Mandi, are hereby writing to express a pressing concern regarding the accessibility of menstrual hygiene products for our female students in college washrooms.

The sanitary napkins vending machines which are currently in the washroom are in bad conditions.

So, in light of this, we are kindly requesting to install 5-6 sanitary napkins vending machines in college washrooms, so that our girls students do not suffer from any problem during their menstrual period.

We hope that you will consider our request favourably and take proactive steps to address this important issue.

Thank you for your time and attention to this matter. We look forward to hearing from you soon.
