

## Induction Programme 2023-2024

Department of Chemistry VGC Mandi organised an Induction programme for newly admitted students on 05/08/2023 to make them aware about the curriculum, mid term examination and various other activities which will be organised during the session 2023-2024. During the programme Mandeleev Chemistry Club appointed its outstanding student leaders for the coming session to guide and unite fellow students on a shared path of discovery and growth.
